

JIMENEZ MARTI

Profile

First year student at the engineering school INSA Toulouse in France. Curious and hardworking. I always give the best of myself in all my actions. Passionate about many subjects, I learn quickly and appreciate teamwork. I like to play the piano in my free time and I'm currently training for a half-marathon.

Professional Experience

February 2016 – Worker Internship

• Company discovery internship. • LINDAMER (Amer, 17170, Spain)

Studies

I studied in Catalonia, Spain, until the 6th grade and continued my studies in France until the Baccalaureate.

Scientific Baccalaureate, Bilingual Catalan - 2020

- Highest Honors, Specialization in Mathematics, LV1 English, LV2 Spanish and Catalan Bilingual options. Deodat de Séverac High School of Céret. (66400, France).

INSA Toulouse - Currently

- Currently in first year at INSA Toulouse.
- Technical training: Chemistry of Solutions, Atomistic Links, Geometric optics, ADA Programming, Point Mechanics, Thermodynamics, Electrokinetics, Mathematics and Industrial Sciences.

Skills

MS Office (Advanced) Python (Intermediate)
Ada (Intermediate) Creo Parametric (Basic)
